To:

Are you looking for advertising opportunities that promote your company, attract the right people and enhance the image of the construction industry? Look no further! By participating in the 2010 Construction Career Camp you will have the opportunity to advertise your company to many of tomorrow's construction workforce.

Simply by participating in Construction Career Camp each student will see the logos of the companies who help make this event possible on a large banner at each event. You can help this year and get your company's logo on the banner by donating equipment, providing speakers, donating \$150.00, sending printed materials to go in the welcome packets or a combination of these activities. The more members who sponsor the event the more successful the event will be.

If you would like to help promote the Construction Career Camp and the construction industry, please fill out the attached form and mail it to AGC of SD HHU Chapter at the address on the bottom of the form, or fax the information to Darby Warne, 605-224-9915 by April 1st, 2010.

By supporting Construction Career Camp, you are laying the foundation for a successful workforce for tomorrow.

Sincerely,

Darby Warne, Communications & Marketing Coordinator, AGC of SD HHU Chapter
